

## Body Bags

The Body Bag provides a means to store corpses and remains, as well as transportation for post-mortem or clearing of disaster sites. This is a one size fits all body bag.

### Water proof material

Golden Season's Body bags are manufactured using high quality PVC ensuring the water proofing and no leaking of fluids, which may cause contamination.

### Flexible, Compact and Easy to store and transport

The body bags are foldable and easily deployed for usage.

### Heavy-Duty Zippers

The body bags are equipped with heavy-duty zippers to allow access to the body for inspection. The body does not have to be removed from the bag for inspection and post-mortem.

### Carrying Handles

The body bag comes with heavy-duty handles to aid transportation.
