

Patient Transfer Sheet

Golden Season’s patient transfer sheet assists paramedics and health care professionals to transport patients from one location to another. It can be placed on ambulance stretchers and trolleys, which helps to move the patient from the trolley.

Ergonomically Handles

The patient transfer sheet comes with 6 ergonomically designed handles to enhanced comfort of the users, especially when fast evacuation is involved. It significantly reduces the chances of cuts and blisters during usage.

Extremely Durable

Golden Season’s patient transfer sheet is professionally manufactured using top quality materials and workmanship. The fabric is water resistant and able to be cleaned using detox liquids or wiping.

Lightweight and Compact

Golden Season’s Patients Transfer Sheet weighs under 2kg and is very compact for storage.
